Stay Connected!
...to your Inn
...to the mission

As a formerly active member of an American Inn of Court, you recognize the important work the Inns are doing to restore civility, ethics and professionalism to the practice of law in the United States. Your participation has been an invaluable contribution to this movement. *Thank you!*

But the work of the Inns is not over, and we still need your help. There are more than 75,000 legal professionals like you who have been a part of this movement but who are no longer active. And we want **YOU** back.

The American Inns of Court Alumni Association (AICAA) provides alumni members of local Inns of Court an opportunity to continue to support the Inn movement without the time commitment of active membership. Your contribution to the AICAA will help provide crucial support services to local Inns across the country and to help spread the word about the Inns.

More important, a full 50% of your contribution will be sent **DIRECTLY** to your former Inn of Court. Your Inn can use those funds for such things as:

- providing scholarships for younger members
- upgrading programs and meetings
- inviting special guest speakers
- keeping member dues low.
