Dear Ms. Owens:

On behalf of Ministry of Caring and those we serve, please accept our deepest thanks for your very generous gift of \$1,100.00.

On behalf of the staff and residents of Mary Mother of Hope House I, we would like to express our appreciation for your support. Be assured that your generosity will assist us in providing a safe, comfortable and welcoming facility for those less fortunate.

We are fortunate to continue serving those in need through programs such as emergency shelters, dining rooms, transitional residences, job training and placement, infant and child care, health and dental care, outreach to unsheltered homeless, AIDS hospice, and permanent housing, including affordable housing for the elderly, residences for men and women with special needs, and new or refurbished homes for sale in the city of Wilmington.

In 2014, we were blessed to open Bethany House II for women with special needs. We are excited about our sponsorship of Sacred Heart Village II residence for seniors on the East Side of Wilmington, which we hope will break ground shortly. We are also blessed to be in the planning stages of a consolidated administration site through donated property, which will enable all four Ministry of Caring administrative offices to more efficiently share resources and communication.

At a time when drastic federal funding cuts have put many of our programs in jeopardy, your continued support makes a vital difference to those we serve – may God reward you!

Gratefully,

Br. Ronald Giannone, OFM Cap.
Executive Director
