A word from our sponsor...

To: The Judge handling the case of Strongarm Specialty Products

Dear Judge:

You know that a disgruntled employee has sued me for sexual harassment. Obviously, these claims are **totally bogus**, and I am sure you can see that. I spent most of my life building my business and there is no way this woman should be able to destroy an honest, hard-working business man who is only trying to bring quality prosthetics to people in our great country.

I now have a lot of legal fees, even though her claims are **complete lies**. My attorney is spending too much time on the legal stuff when this is such an easy case. I can't believe how much this is costing. So I'm asking for an immediate trial, or better yet, can you just order this woman to stop harassing me? This case is **nonsense**. You've got better things to do, so I'm sure you want to be done with this case as much as I do.

Sincerely,

Sean Strongarm

Subject: Best Scam Ever!

I know how to make some money. I'll accuse Sean of sexual harassment and sue him! He's so smart and handsome that everyone will have a hard time believing it's true. But he'll be so worried about his public image that he'll settle the lawsuit and write me a huge check! I know this makes me a money-grubbing scam artist, but it's what I do best!

She should be prosecuted and should be in jail. Instead she is suing me in what looks like a totally rigged case. Sad!

Her claims are totally false! Lies! Never would have happened. Have you seen her?!? She would not have been my first choice. Sad!
