AMERICAN INN OF COURT**

COMMUNITY OUTREACH PROGRAM

As part of its commitment to make a meaningful difference in the lives of others, the Daniel Webster-Batchelder American Inn of Court maintains a community outreach program. As part of our community outreach program, our Inn has partnered with the Boys and Girls Club of Manchester. Our intent is to provide assistance to the Boys and Girls Club of Manchester in varying ways, to be determined by the needs of the Boys and Girls Club and the interest of the Inn.

The Inn is also committed to pursuing other community outreach activities. Since 2014, our Inn has coordinated and participated in a speed mentoring program at the University of New Hampshire School of Law. In the speed mentoring program, participating attorneys from our Inn answer student questions on various mentoring topics, including achieving academic success, work-life balance, identifying and developing a practice area, and establishing and maintaining client relationships. The Inn intends to continue its participation in this speed mentoring activity on an annual basis. In 2016, our Inn participated in a Toys for Tots gift drive.
