Dear Ms. Vetrano:

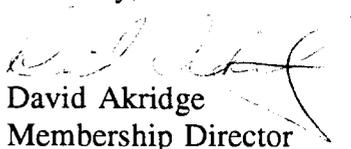

Congratulations! Your recent application to become a chartered American Inn of Court has been accepted. I would like to take this opportunity, on behalf of the Board of Trustees and the staff of the national office, to welcome you and those in your legal community to the American Inns of Court Foundation. Official charters are traditionally presented at the annual meeting (Washington, D.C., June 2-4, 1994). We hope someone from your Inn will be able to participate in this ceremony.

By becoming a chartered American Inn of Court, you have joined with thousands of attorneys, judges, law professors and law students in the vital work of restoring excellence, civility, professionalism and ethics to the practice of law and the administration of justice in America.

I am enclosing the bylaws for your Inn and a set of materials to assist you in your organizational efforts. These materials provide explanations of the general framework of an American Inn of Court, the many benefits and services of the national organization, and some necessary forms for filing and reporting information. If you have any questions about these materials or the organizational process, please feel free to call me at (703) 684-3590.

I certainly hope that your experiences in the American Inns of Court will be fulfilling and beneficial. But membership is what you ~~make~~ it. I encourage you to become involved, not just with your own Inn, but at a state and national level. There are a number of ways to become involved including national committees, state coordinating councils, and annual meetings. Take advantage of these opportunities, and help make a difference.

Sincerely,

David Akridge
Membership Director
