I have been practicing Intellectual Property law for ____ years and I would like the Inn's programs to focus on (indicate top 10 choices) - Please rank by number 1 - most → 10 - least:

	Patent	Trademarks	Copyrights	Trade Secrets

I would like to participate in IP pro bono work with other members of BFAIC.

Please provide any suggestions for program in the upcoming Inn year.

- October Recent Patent Eligibility cases and USPTO Guidance
- November CoronaVaccine.yeah! Trademark protection for generic names
- January Artificial Intelligence: patentability, 101/112 issues, inventorship, & trade secrets
- February Bayh-Dole Act: IP implications in government-funded vaccine research
- March Judge(s) Meeting, case selection TBA
