I. Call to Order & Welcome by President Pete Hearn

II. Upcoming Meetings

In light of pandemic discussed current need for virtual meetings and how best to keep our members engaged. Next meeting will be on September 24, 2020 that will be a presentation on fast track jury trials and focus groups. It was decided to move the virtual meeting to noon to try to get better attendance.

We are looking to host a statewide meeting with our own Judge Lockemy presenting. Details to come. A future meeting may also include a mental health beachwalk/yoga meeting (participants choice).

III. New Member Orientation

Abby Saunders will send out Zoom invitation for New Member Orientation set for September 30, 2020. We are set to welcome Dirk Derrick; Doug Baxter; Senator Stephen Goldfinch; Charlie Leonard; Brooke Eaves; Hunter Holland; and student member Zack Ohanesian.

IV. Financial Update

Natasha Hanna provided a financial update of our current status. We have \$5,000.00 at the Ocean Club for our banquet deposit. Current dues are \$350/175 but we may temporarily reduce those since we are having to meet virtually and do not have the monthly meeting costs of approximately \$2,000.00. Dues notices will be sent in December and due in January.
