OPERATING AFTER REVOCATION: THE GOALS, THE LAW, AND THE REALITY

Operating After Revocation (OAR) is not a headline grabber. It is, however, one of the most commonly issued criminal offenses in Wisconsin. The manner in which these cases flow through the criminal justice system has a large impact on judicial, prosecutorial, and police resources.

In our democratic system, the Legislature has the duty and obligation to make choices about driver's license sanctions. Having the license is a privilege, but a driver's license is critical to employment opportunities. A driver's operating privileges can be revoked for anti-social driving behavior, such as OWI-Homicide, and for relatively trivial conduct, such as failing to pay municipal fines. Either way, hundreds of these cases arrive in the Dane County District Attorney's Office every month.

Criminal defense attorneys tend to see these primarily in the form of "tag along" charges to more serious offenses, such as OWI, but need to give good advice when OAR is charged, since they carry potential jail time if generated by an OWI or a second or subsequent OAR.

A. THE GOALS

- 1. To increase safety for all users of the highways of this state.
- 2. To discourage repetition of traffic violations.
- 3. To encourage individuals convicted of certain offenses to comply with specific court orders and obligations, such as alcohol assessments and payment of fines.
- 4. To deny the privilege of operating motor vehicles to persons who by their conduct and record have demonstrated indifference for the safety and welfare of others and disrespect for the laws, courts and administrative agencies of this state.

See § 351.01, Wis. Stats., for declaration of legislative intent.

B. THE LAW

CHAPTER 343: OPERATORS' LICENSES

343.30: Suspension And Revocation By The Courts

- (1) A circuit court may suspend a person's operating privilege for up to one year upon conviction in state court for any of the state traffic laws.
- (1g) Mandatory six month revocation for fourth offense conviction Operating While Suspended; Operating While Revoked if the offense occurs within the five year period preceding the violation. The court may impose a shorter period of revocation if the reasons are placed on the record.
- (1j) Mandatory suspension between 30 days and nine months for a conviction of Failure to Yield Right of Way that results in bodily injury, great bodily harm or death.
- (1n) Mandatory suspension of 15 days for convictions of speeding in excess of 25 miles per hour on a highway (65 mph limit) or on a roadway with fixed limits of 55 mph.
- (1o) Mandatory suspension between 90 days and two years for conviction of passing a stopped emergency vehicle, tow truck or highway machinery equipment the violation is accompanied by damage to property, bodily harm, or death.
- (1p) Mandatory three month suspension for conviction of absolute sobriety (motorists under the age of 21); suspension of six

- months if there was a minor passenger under the age of 16 in the vehicle at the time of the violation.
- (1q) Mandatory revocation between six months and three years for Operating While Under the Influence of an Intoxicant or other drug (OWI) or with a Prohibited Alcohol Concentration (PAC). The length of revocation depends on the number of prior convictions and doubles if there was a minor passenger under the age of 16 in the vehicle at the time of the violation.
- (1q) Those people convicted of OWI/PAC must undergo an assessment to examine the person's use of alcohol, controlled substances or analogs and develop a driver safety plan. Mandatory revocation for noncompliance with the assessment or driver's safety plan until the person is in compliance.
- (1z) Suspension for up to two years for failure to pay a driver improvement surcharge within 60 days of order.
- (2) Suspension of up to one year for conviction of sexual assault and various forms of child sexual assault if the court finds that it is inimical to the public safety and welfare for the offender to have operating privileges.
- (2g) Suspension for up to one year for convictions of Hit and Run (property adjacent to highway, attended and unattended).
- (2j) Mandatory six month revocation for second or subsequent conviction in a five year period of reckless driving or failure to stop at a signal indicating approach of a train.
- (6) Suspension of up to two years for conviction of underage alcohol possession and consumption related violations.

343.305: Tests for intoxication; administrative suspension and court ordered revocation.

- (7) Administrative suspension of six months if test results indicate presence of a detectable amount of restricted controlled substance in the person's blood or a prohibited alcohol concentration.
- (10) **Refusals:** Mandatory one year revocation for refusal (first offense is counted in the same manner as OWI calculations); mandatory two year revocation (second offense); mandatory three year revocation (third offense and up); revocation time doubles if there was a minor passenger under the age of 16 in the motor vehicle at the time of the incident that gave rise to the refusal.
- (10m) Those convicted of a refusal must obtain an assessment and driver safety plan. Noncompliance with assessment or the driver safety plan will result in license suspension until the person is in compliance.

343.31: Revocation or suspension of licenses after certain convictions or declarations.

- (1) Mandatory revocation for conviction of OWI Homicide, GBH OWI; Reckless Homicide (vehicular); Negligent Homicide (vehicular); or Injury By Intoxicated Use Of A Vehicle.
 - (c) Any felony in the commission of which a motor vehicle is used.
 - (d) Failure to ender aid resulting in death, injury or serious property damage.

- (g) Driving without proof of financial responsibility when such proof is required.
- (i) Fleeing or eluding.
- (2s) Up to two year suspension for convictions for bomb scares to a state/municipal office or school; possession of a firearm in a public building or possession of a firearm in a school zone
- (2u) Holders of occupational permits subsequently convicted of any offense that could be counted as a habitual traffic offense; speeding in excess of 20 mph; or racing.

343.32: Other grounds for revocation or suspension of licenses: demerit points

343.345: Restriction, limitation or suspension of operating privilege.

Failure to make court-ordered payments for child support or family support, maintenance, birth expenses, medical expenses or other expenses related to the support of a child or former spouse or for failing to comply with a subpoena or warrant issued by the department of children and families or a county child support agency.

343.44 Operating while suspended, revoked, ordered out-of-service or disqualified.

Mandatory sentencing factors for courts:

(2)(b) The court shall review the record in sentencing and consider the following:

- 1. Aggravating or mitigating circumstances using guidelines adopted by the chief judge of each judicial administrative district.
- 2. The class of the vehicle operated by the person.
- 3. The number of prior convictions in the past five years.
- 4. The reason the privileges were revoked
- 5. Any convictions for moving violations arising out of the incident.

343.44(1)(b): Operating After Revocation

- First is criminal only if it is generated by an OWI.
- Maximum fine \$2,500, maximum incarceration one year in county jail.

345.47(1)(a) & (b): Judgment of forfeitures, costs, fees, and surcharges.

Defendants found guilty of a violation who fail to pay the judgment may be imprisoned until the judgment is satisfied, but not to exceed 90 days. In lieu of imprisonment and in addition to any other suspension or revocation, the defendant's operating privileges may be suspended up to two years. This DOES NOT apply to judgments entered solely for violation of an ordinance unrelated to the violator's operation of a motor vehicle.

CHAPTER 351: HABITUAL TRAFFIC OFFENDERS

351.02: Definitions

- (1) "Habitual traffic offender" means any person whose record shows that the person has accumulated the number of convictions for the separate and distinct offenses committed within a five year period as follows:
 - (a) Four or more convictions of the following separate and distinct offenses, including any combination thereof:
 - 1. Homicide under s. 940.06, 940.09 or 940.10 involving the use of a vehicle.
 - 2. Reckless driving under s. 346.62.
 - 3. Driving or operating a motor vehicle in violation of s. 346.63 (1m), 1985 stats., or s. 346.63 (1) or (2).

351.025: Revocation

Mandatory five-year revocation once determined to be HTO.

351.08: Operation of motor vehicle by habitual traffic offender or repeat habitual traffic offender prohibited; penalty; enforcement.

HTO status adds \$5,000 monetary penalty and six months incarceration.

961.50: Suspension or revocation of operating privilege

Any convictions under the Uniform Controlled Substance Act shall include a minimum six month license suspension and shall not exceed a five year suspension.

C. THE REALITY

1. Limited Jail Space, Even In The Rare Case When Jail May Be Appropriate.

A. The Warrant Dilemma

Something like 30 – 40% of those ordered into Dane County's "OAR Court" do not show up. This can be upwards of 50 people at a time for whom bench warrants are issued. One can post bail if booked in on such a warrant; if one lacks bail money, a jail bed can be taken up with an OAR scofflaw.

B. The Repeater Dilemma

Should it matter that a driver has racked up an OAR-3rd? How about an OAR-9th?

C. The Payment Dilemma

Sixty days to pay and then...collection agency.

2. Limited Prosecutorial / Judicial Resources

- A. We Lack Attorneys To Handle Homicides And Child Abuse, So What Are We Doing?
- B. Rough Justice: Dane County's "OAR Court."

 A cattle call for fine payment. But what is the alternative?

- 3. Police Technology / Practices
 - A. Improved Law Enforcement Technology (Mobile Display Terminals (MDTs))
 - B. Police Cannot Completely Ignore Law Violations; Damned If They Do,
