Program:  
Pupilage Group III

## **HIGHLIGHTS FROM NOVEMBER**

The November meeting proved to be totally enlightening as Pupilage Group V, in which yours truly played a minor role, presented a series of skits on bench-bar relations and judicial ethics. John Holloway moderated the skits, which raised issues of recusal, conflicts of interest, and the different kinds of financial and personal settings that may put impartiality into question. The discussion was lively and thought provoking, and our members from the bench played an integral part.

Pre-Meeting Preparation

## **TOASTING TORCH**

Judge Miller offered the toast at the November meeting and the Judges graciously raised their glasses to the lawyers. Phil Davey then offered a second toast, and the lawyers did the same for the Judges. The designee for January is Hunter Old – well known for witty toasts that invariably include an Anthony Daniels film quote.
