HIGHLIGHTS FROM FEBRUARY

Pupilage Group I presented an impressive program at the February meeting with an equally impressive assortment of amateur actors. In three skits, Pupilage Group I updated the Inn on topics such as good faith arguments for changes to existing law; the predicament of a criminal defendant presenting a story that may or may not be true (although a name like Larry Liesalot might be a hint); and the danger of signing pleadings without first investigating the facts. Great job!

TOASTING TORCH

Shawn Overbey offered the toast at the February meeting and Inn members raised their glasses to former Chief Justice Leroy Hassell. Shawn passed the toasting torch to Rebecca Knowles, our law school liaison from the Office of Career Services.
