OCTOBER MEETING RECAP

The October meeting started the new year officially for the I'Anson Hoffman Inn of Court at the William & Mary Law School. New members attend orientation and all members were treated to a "pool memo" by Professor Allison Orr Larsen on the constitutionality of the health care legislation signed into law by President Obama on March 23, 2010. As a former Supreme Court law clerk, Professor Larsen offered unique insight into the major cases challenging the law.

TOASTING TORCH

Judge Mathews toasted to the history of our Inn of Court and the 24 years it has existed. The toasting torch passes to Judge Roe for the November meeting.

MENTORING PROGRAM

The Inn is continuing the mentoring program that Jim Chapman and Judge Mathews reintroduced last year. Judge Mathews sent an email to members with a list of names on October 24, 2011 (c/o drjohnson@courts.state.va.us if you are searching your inbox). The due date to report progress to your Pupilage Group leader is December 10, 2011. If you are a mentor or mentee and have not contacted your counterpart, please do so soon.

PUPILAGE GROUP II

Pupilage Group II will present the program at the January meeting at the Hampton Yacht Club. If you are in Pupilage Group II, find your colleagues and start planning.

Until next issue . . .
