NOVEMBER MEETING RECAP

Pupilage Group VI presented the program at the November meeting at the Norfolk Yacht & Country Club. The team of presenters gave us an engaging look at “Lawyers Behaving Badly” – from Texas depositions to social media to public drunkenness – and challenged Inn members to consider the boundaries between “bad behavior” and professional misconduct. Kudos to Pupilage Group VI for a great presentation.

Inn members Dave Littel and Anne Bibeau

TOASTING TORCH

David Dildy offered the toast at the November meeting to the history of the Inn and its continued success. The toasting torch passes to Judge Roe for the January meeting.

PUPILAGE GROUP II

Pupilage Group II will present the January program at the Hampton Yacht Club. It has been billed as a “Jousting Tournament Among the Pupilage Groups” in the form of a rousing round of Jeopardy. Get your buzzers ready!

MENTORING PROGRAM

The mentoring program is in full swing under the guidance of Judge Mathews. If you have not contacted your counterpart, the next meeting is a great opportunity to do so. See the email to members from October 24, 2011 for information and names (c/o drjohnson@courts.state.va.us if you are searching your inbox).

Until next issue . . .
